WORK EXPERIENCE

CONTENT CREATOR

Jan 2024-

Bhaktgan ventures Pvt Ltd.

Currently working

I am a skilled video editor and graphic designer with experience in developing and executing content strategies for various digital platforms. My expertise includes designing visually appealing graphics for web and print, including social media posts, infographics, brochures, and marketing materials using Canva. I also specialize in professional video editing to create engaging video content that enhances audience engagement and brand visibility

COMPUTER OPERATOR

Mar. 2023

Dec. 2023

Golden Sand Pvt Ltd.

A highly organized and efficient professional with experience in MS Excel, Flipkart product listing, and Flipkart seller portal management. Adept at managing e-commerce platforms and ensuring accurate and appealing product presentations. Previously employed at Golden Sand Pvt Ltd, where I successfully streamlined product listings and optimized seller portal operations to enhance business performance.
